Assistant Secretary to the Government of India

To

All Provincial Governments (except U.P.).

Sub: Annual Administration Report of the Animal Husbandry Department.

Sir,

I am directed to say that during September 1945 a Provincial Government made proposals to include certain new tables in the Annual Administration Reports of the Animal Husbandry Department of that Province. Arising out of the changes proposed by that Government, the desirability of amending the forms now used in the Livestock returns of the Annual reports of the Veterinary/Animal Husbandry Departments was considered by the Animal Husbandry Wing of the Indian Council of Agricultural Research at its meeting held in December, 1946. The wing recommend that since post-war development schemes in many Provinces and States are still in the stage of fruition, it was desirable to postpone the question of revision of tables in the annual reports of Animal Husbandry or Veterinary Department in India till the next meeting of the Wing. In the meantime the Wing has suggested that Provincial Governments may communicate to the Indian Council of Agricultural Research any amendments or corrections in the existing rables which they desire to make or any new tables which they desire to include. The Council will co-ordinate these amendments and alterations and draft a uniform set of tables for consideration by the Wing.

It is therefore requested that yo _gestions, if any, in the matter may be communicated to this Department at a very early date.

I am to add that the Wing recommended that with a view facilitate co-ordination of information which is frequently required regarding the area of livestock farm, acreage under cultivation, the strength of stocks, the number of bulls issued etc. five new tables should be incorporated even now i.e. from 1946-47 in the Annual reports as in the set of specimen forms enclosed. I am to commend for the consideration of the Provincial Government the recommendation made by the Wing.

I have the honour to be,
Sir,
Your most obedient servants,

Dated Fort St. George the 10th March, 1948.

Sir,

Annual Administration Report of the
Animal Husbandry Department.

From the Government of India, Department
of Agriculture, Letter No.F-29-91/47-L,
dated 24th July 1947.

I am directed to state that the Government of Madras have no amendments or corrections to suggest to the existing Tables in the Annual Administration Report of the Veterinary Department except that in Table VII showing 'Statistics of livestock slaughtered' the column "buffaloes" under "number of animals slaughtered" may be divided into two columns so that the number of/buffaloes and she-buffaloes slaughtered may be exhibited separately. This modification has already been adopted by this Government and necessary instructions have been issued in the matter.

2. Out of the five new tables (a) to (e) regarding livestock farms etc. forwarded with the letter cited above, I am to state that this Government agree to incorporate the following three tables, viz. (a) cattle and buffaloes (b) sheep and (d) Poultry in the Annual Administration Report as the other two tables, viz. (c) and (e) are nil so far as the veterinary Department of this Province is concerned. I am to add that the above three tables viz. (a), (b) and (d) will be included in the Annual Administration Report of the Veterinary Department of this Province from 1947-48 onwards as the report from 1946-47 is already in print.
